

**A History of the Churches of
Bramley & Grafham
Wonersh & Blackheath**

by

Alan Bott OBE, MA, FSA

A beautifully illustrated and informative book on the history of the Churches of Bramley, Grafham, Wonersh and Blackheath has recently been published with a forward by the Bishop of Guildford.

The books have kindly been given to the churches by the author, who suggests a donation of £10 to church funds for each copy taken.

You will find copies of the book inside the West Door at St Martin's Church, Blackheath.
