

St Martin's Church - open for private Prayer & Reflection

St Martin's Church Blackheath is now open for private Prayer and Reflection every Sunday and Wednesday from 8am to 8pm starting this Sunday. (It will be closed the other days to avoid the need for daily cleaning to reduce the likelihood of the transfer of the virus.)

For everyone's safety, please would you use the hand sanitizer provided when entering the church, touch as little as possible, use the wipes provided to clean the door handle as you leave and respect social distancing. Thank you very much.

Everyone is warmly welcome to come and sit in the peace and beauty of this special building.
