

## HARVEST GIVING DAY – SUNDAY 11 OCTOBER

St Martin's Church is holding a ***Harvest Giving Day*** to support the homeless of Guildford and the Hygiene Bank. This is our way of celebrating Harvest this year.

Please bring your gifts anytime on **Sunday 11 October** and leave them in the porch of the Church.

Tinned food, instant meals, fresh fruit and veg. would be much appreciated by Guildford's Vaughan House and toiletries for the Hygiene Bank, particularly for children. Vaughan House says, 'no tomato soup and baked beans please'. They have lots of those!

*Do please support this if you can  
Both charities are much in need of your gifts at this  
difficult time*

Thank you so much

**'All good gifts around us are sent from heaven above'**
