

Welcome to St Martin's Church

When visiting St Martin's you are entering a public building so we are asking people to please help everyone stay safe by using the following guidelines:

Hand Sanitizing & Signing In - please hand sanitize and sign in on entry. There is also a QR code reader.

Face Coverings - face covering is no longer mandatory but is nevertheless still encouraged when inside, or at least when moving around the building to and from your seat.

Social Distancing - please respect social distancing and sit well apart from those not in your group.

The Church is Open for Prayer & Reflection
Sundays & Wednesdays 8am to 4pm

*We hope you enjoy the peace and
beauty of this special building*
